The Auxiliary to Saanich Peninsula Hospital Membership Application Form 2026

About Us:

Thank you for your interest in the Saanich Peninsula Hospital (SPH) Auxiliary. Here is some basic information to help you with your decision about becoming a volunteer member of the Auxiliary.

There is sometimes confusion how the various volunteer activities at the hospital relate to each other.

- The **SPH Hospital Foundation** that raises money for the hospital on a larger basis and is not connected to the Auxiliary. They do have some volunteers that are not connected to the Auxiliary.
- **Island Health** volunteers at the hospital are organized and managed by Island Health. These volunteers are more focused on patient care.
- **The Auxiliary to Saanich Peninsula Hospital** is a working Auxiliary. We raise money to purchase needed equipment or items requested by Hospital Departments or purchase items to support the care and comfort of the patients in SPH Extended Care Unit. We have no paid staff and all of our work is done by our amazing volunteers.

We raise money in several ways as you can see on the membership application. If you don't get connected right away with one of your interests as selected, we ask that you participate in other ways as the need arises. We will connect you with your interest area when a space opens up there. We request all members participate with us on a regular basis by attending our monthly meetings, and working for all of our fundraising events such as bake sales, garage sales and our November Bazaar.

If you are interested in the Gift Shop or Birthday Parties, you must complete an on-line Volunteer training required by Island Health. We require you to have a working email address as all our correspondence and notifications are done by email.

The benefits of becoming a volunteer is giving back to your community as an active, working volunteer to raise much needed funds for the Saanich Peninsula Hospital. Although we are not a social auxiliary, volunteers can make a lasting and positive difference for patients, staff and community members.

You will be contacted by phone after the Membership Convenor receives your application to arrange an in-person meeting. If you decide that this would be a good fit for you, your application will be processed and we will require a \$20.00 annual membership fee.

Monthly General Meetings are held at 10 am on the second Tuesday of each month (except July and August) at the Saanich Fair Grounds, 1528 Stelly's Cross Road, Saanichton
